

Mix-n-Match

STEPS

1. With a card in their hand, students mix around room, keeping one hand in the air until they find the next closest partner.
2. Student A shares the match to her card. (“I have blank; its match is blank.”)
3. Student B shares the match to his card.
4. Students trade cards and repeat steps 1-3 until teacher calls, “Freeze.”
5. Students freeze, hide their cards, and think of their match.
6. Students continue hiding their cards and move to the center of the room to search for their match.
7. Matched partners move to the outside of the classroom.
